Time	Activity
8:00 AM	Check out — Hotel Vance Portland
9:00 AM	Buffer for airport traffic
11:20 AM	Flight AA2076 — Portland (PDX) → Denver (DEN), arrives 2:55 PM
3:15 PM	Arrive DEN, ground transport home/office

Flight Comparison

Three flight options were compared per leg for price, timing, and buffer against meeting schedules. Selections favored reliability and adequate buffer over lowest price where the gap was small.

Option	Route	Airline / Flight #	Price	Notes
Selected	DEN → SEA	American AA1042	\$187	Nonstop, morning arrival before 10 AM meeting
Alternative	DEN → SEA	United UA615	\$164	Nonstop, but arrives 11:40 AM — cuts buffer too tight
Selected	SEA → PDX	Alaska AS1287	\$98	Short hop, on-time performance strong on this route
Alternative	SEA → PDX	Amtrak Cascades	\$42	Cheaper but 3.5 hrs — not enough buffer before noon meeting
Selected	PDX → DEN	American AA2076	\$213	Nonstop, avoids layover risk on travel day

Hotel Shortlist

All lodging was shortlisted within the \$250/night cap and prioritized for proximity to meeting locations and dinner venues.

Hotel	City	Rate/Night	Why This One
Hotel Ivy Seattle (booked)	Seattle	\$219	0.4 mi from Cascade Retail Group; walkable to dinner venue
Kimpton Palladian	Seattle	\$245	Similar location, higher rate — backup option only
Hotel Vance Portland (booked)	Portland	\$198	10 min from Timberline Sports showroom; near Higgins
The Nines Portland	Portland	\$260	Over budget cap — held as backup if primary sold out

Expense Tracker

Running total of estimated trip costs, tracked against the client's moderate budget guidance.

Item	Estimated Cost
Flight — DEN to SEA	\$187.00
Flight — SEA to PDX	\$98.00
